Subject: POWER-SONIC certified ISO 9001:2015

Dear Valued Customer

At **POWER-SONIC** we are dedicated, to providing the highest quality products and service backed with reliable support to each one of our customers. Our quality policy is highlighted by this important statement;

“DEDICATING OURSELVES TO CONTINUOUSLY IMPROVING THE CUSTOMER EXPERIENCE!”

Power-Sonic team members are dedicated to continuously improving the customer experience by providing quality products and services, on time to mutually agreed upon customer requirements, compliance with all regulatory requirements to which we or our products are subject, resolving all problems quickly and efficiently, and to continually improve the effectiveness of our quality management system.

To achieve these objectives, we have established and maintain an efficient and effective quality system, which not only meets but exceeds the requirements of ISO 9001 and our customers' expectations.

We are pleased to announce that Power-Sonic has successfully made the transition from the previous ISO 9001:2008 standard to the new ISO 9001:2015 standard. Attached you will find the ISO 9001:2015 certificate for your reference and records. As you are aware all companies are required to make this transition before the September 15, 2018 deadline.

All of us at Power-Sonic look forward to meeting your requirements as we strive to be your battery supplier of choice and continue to provide a higher level of service to you and your organization.

Sincerely

A handwritten signature in blue ink that reads "Brian Crowe".
